The Minister requested for the Committee to take note that in terms of the MDB, a major challenge is that the Act is instructive, and many categories were pre-determined.

The Committee were quite heartened by the initiative of the Minister to present to the Committee well in advance. The Committee was appreciative of this, and hoped that other Ministers would emulate him.

5. Science & Technology - [REDACTED]

Minister Kubayi-Ngubane presented on the National Advisory Council of Innovation, the National Space Council, and the National Research Foundation Board. The Minister apologised that her office has seemed to have sent documents only to the Deputy President and not the Deputy Secretary General.

a) National Advisory Council of Innovation

The approach has been to attract young people, especially women with an interest in the sciences. Advertisements have already been placed.

It was advised by the Committee, that three from the previous Board is retained. Further noting that [REDACTED] is firm supporter of the ANC. The view of the Committee was that attracting expertise should not be an excuse for the under-representation of women. The Committee also recommended that the Minister should try to ensure geographic spread and a balance amongst the various universities.

b) Space Agency

It was noted that there were more than 14 people, and a serious need for persons with an engineering background. 6. Trade and Industry - Director-General [REDACTED]

However, the Deployment Committee preferred not to offer opinion on the other matters raised by the department on the Export Credit and Insurance Corporation and the Non-proliferation Council. The matters have been presented as a *fait accompli* and this is not the first time this particular department has done this. The Committee therefore resolved that the matters should be discussed with the Minister of Trade Industry and the Committee. The Minister should be invited to the next meeting of the Deployment Committee.

7. Transport – Chief of Staff of the Minister of Transport

The Committee was sympathetic of the challenge facing the Minister, in that the terms of office of the many of the boards within his Ministerial envelope were coming to an end, and he was appointed just recently.

- [REDACTED]
- Cde Jeff Radebe, the Deputy Minister will come in his place.
- Minister [REDACTED]

3. Minutes of Previous Meeting

Minutes unanimously adopted without amendment.

Record people who attended the meeting as well.

4. CSIR – 10:00 – 10:30 Minister [REDACTED]

Finalising the board of CSIR, current term ends by December, and the new board will take over from January 2019. A pack has been prepared for briefing to the Deployment Committee.

Noted the emphasis on age. As well as the concentration of appointments from Gauteng. Noted the need for a board of experts and advised that some of the candidates with academic qualifications be re-looked at, especially candidates with qualifications in artificial intelligence. It was further noted that the current candidate

is actually internationally based making meeting attendance very difficult. Also advised that there is greater non-racial representivity in future boards. Cognisant that the CSIR is an industrial research agency and not general research. Moreover, though, [REDACTED] will be removed so that a white person with experience in the Oceans economy be placed. Will inform the DSG office on the change.

5. SASSA CEO
Minister Susan Shabangu

10:30 – 11:00

Operating with an acting CEO since last year. Permission had been sought from the Deployment Committee to advertise. Requesting the Committee to grant permission for the final interviews of the short list of five (5) candidates to go ahead and the subsequent appointment.

The Committee commended that she has approached the Committee on every step.

The five are solely Black African. Advised to increase the interviews to seven people so as to include more national groups. Also cautioning that the advertisement making a preference, could be illegal. Apparently the advert was corrected. The water person, was the [REDACTED] and now that department is in the red, candidate number one discouraged. Investigate why the one candidate not employed.

6. Nuclear Energy Board
Minister [REDACTED] Deputy Minister

11:00 – 11:30

Will return with the short list and not just the nominated individuals. [REDACTED] Percentage of young people. Note that [REDACTED] is a member of the CSIR board as well, but that is not incorrect.

7. IDC
Minister [REDACTED]

11:30 – 12:00

CEO position of the IDC. There is the wider issue of the IDC board at another time, not today. The IDC is the main DFI for industrial funding, as a funder and a co-funder. It doesn't receive money from the state, but it's model is based on profit and then re-invest it to produce Black industrialists, young, women and rural areas.

The short list has already been done, and the interviews have been conducted.

In the light of that the Minister was advised to cast the net wider, and provide the long list so that a short list can be jointly arrived upon.

Monday, 3 December to meet again and finalise the matter, and Thursday or Friday (29 and 30 November 2018) will expand interviewed.

8. DIRCO 12:00 – 12:30
Minister [REDACTED]

Deferred to the next meeting. Noting that she is a member of the Deployment Committee, but we acknowledge her hectic schedule. The DSG will take the presentation and it will be circulated. Need to look at the grading of the embassies. Next committee meeting will look at the grading based on DIRCO's explanations.

9. Request for Deployment (Abridged CVs) 12:30 – 13:00

Advertising the National Development Agency and [REDACTED] corporate services and Disaster Management Fund

10. Closure 13:00

Treat everyone very fairly and consistently and help both government and the organisation.

1. Welcome
2. Apologies
 - Cde Sifiso Buthelezi
 - Cde Jessie Duarte, Deputy Secretary General
3. Minutes of Previous Meeting (26 November 2018)
4. Energy Minister [REDACTED] 9:00 – 9:30

The Deputy Minister also present, previously, the short list was requested. She explained that the advertisement was for all boards and therefore there is a list of 266 and the recommended names.

Nuclear Energy Board, requiring 8 members. The criteria used was that persons needed to understand board governance, audit skills, legal skills and technical skills for the nuclear sector, and human resource practitioners. There are persons in the later 30s, and there is a gender balance. The Chair is a long-standing member of the ANC, and all the members are from the ANC.

The recommended names are approved, but if there are changes the Ministry will inform the Committee.

The other Boards are Central Energy Fund, its subsidiaries PETROSAS, PRASA, Strategic Fuel Fund, i-Gas, African Exploration Mining Company, NECSA subs, the NTP (medical isotopes), NERSA. Should be presented in January.

Next meeting the proposal on all the Boards will be submitted, noting that a person should not serve for more than two Boards. Also noting that a member on the holding board, may serve on a subsidiary board. There are a no former board members on the incoming board. There have been a litany of infractions, which resulted in the almost shut-down of NTP, and a host of audit queries. The list must be compared to the database for the common names.

5. Defence Minister [REDACTED] 9:30 – 10:00

Apologise for not bringing this matter to the Deployment Committee. Unsure that an Advisory Council – Defence Force Service Commission – needed to be brought to the Deployment Committee. The DFSC advises on the service conditions of the defence force.

There are 6 vacancies, based on the long list we are appointing three. After consideration by retired generals and parliament. The current applications only had one woman application.

The Deputy President will assist in ensuring that the President is briefed on matters relating to defence. There must be constant engagement between the Deputy President and Minister.

6. DIRCO Minister [REDACTED] 10:00 – 10:30

The Minister had to unfortunately cancel at the last moment. She has requested that her [REDACTED] attend on her behalf. However, the Committee, as previously decided to not have advisors to make representations. It is also noted that there are two deputy Ministers. Noting that this is the last meeting for the year.

When the administration changed the letters of appointment of ambassadors were not updated, and some have had to return and those who have not yet left are now unemployed because they have not been appointed as well. The SG must be alerted, and the DP must raise the matter sharply with the Minister.

7. STATSSA Advisory Council

Previously the names were not brought to the Deployment Committee or Cabinet, so that there is no suspicion of interference or the veracity of the statistical conclusions. Therefore the names will be discussed at officials' level.

We must be cautious that previously this is how the Deployment Committee was avoided, even though in this particular instance the Advisory Council did not come to Cabinet or the Deployment Committee.

8. IDC

Minister Patel

Procedures were not followed (especially since the process was outsourced), but you are dealing with a bank. Therefore let the matter be concluded by the officials.

We must be cautious that previously this is how the Deployment Committee was avoided. All Ministers must provide the Boards and the advertisements. It is important that we set out our scope.

9. Request for Deployment (Abridged CVs) 11:00 – 12:00

10. Closure 12:00

Let's work on who should be deployed to the many energy boards and the foreign deployments.

Deputy Minister [REDACTED]

CRL Commissioners

Initially, the nominees were mainly culturalists and the religious nominees were also from the evangelical churches, not the mainstream churches or the non-Christian religious. Therefore the Minister headhunted and added names.

There were 78 names and a shortlist of 37.

Comments & Decision: The Committee will not yet endorse the shortlist. The DSG, with each member here, will headhunt a certain number and approach certain groupings etc, and compile a preferred list, and submit a list by Friday next week. It will be confined to members of the Committee who are here. The Ministers will appoint four and the Committee to the Interview Panel.

The current Chair will not remain. Cde [REDACTED] will be the Chair and the current Deputy Chair will be retained.

Municipal Demarcation Board

The panel made up of judges have made recommendations, seven males and six females, geographic FS 3, Gauteng 1, and they cover the criteria. The Chair is full-time and the other board members are part-time. The current chair has requested to be recused as a Chair and Deputy Chair. The recommendation is that [REDACTED] is the new Chair.

The Board selects and appoints the Deputy Chair. It will have to be a woman.

Comments: Our input is limited, because the selection panel is appointed after consultation with the President. Happy that the current Chair is remaining as a member of the Committee. She was excellent as a Chair. The recommended person to Chair is highly qualified, although the ANC should support the person, similar to how [REDACTED] is supported in SALGA.

It is positive that there is a town planner also in the Board, since previously the Board has been rigid in their approach and not as rational as it should be.

It is noted that the Minister did previously inform the Committee about the pending appointment, however, the matter was not sufficiently followed up by the Committee and the sector organisations.

5. Social Development – Minister Susan Shabangu

11h30 – 11h45

The NDA used to be under Treasury and over time has ended up with Social Development. It is an institution that needs to be reviewed, so that it can be a focused institution. Therefore there should be a temporary board (1 year) and not a five year board. The Act does not precludes the term being less than five years. There are 6 independent members and the rest from the department.

Comment: Only two are retained. [REDACTED] and [REDACTED] retained. 2 and 4 recommended. Retain the four and review the institution. We expect the motivation on the review from the Minister.

The matter is being finalised.

There will be two engagements. One now, and when the names are finalised. Mainly, because the study group has not met. The Deployment Committee is scheduled to meet in two weeks time.

There are good candidates, based on the CVs, that have applied. The Study Group will consider the names and shortlist so as to ensure gender, skills, geographic spread, covering SABC and MDDA.

The Committee is dependent on the co-operation and respect for process that includes the Deployment Committee by the Ministers serving in Cabinet.

In May, after elections, we host a Workshop with all newly-appointed Ministers, and Premiers of provinces. There is a general misunderstanding of the concept of democratic centralism, as well as lack of adherence to NEC authority. And we continue with the decision of every second Friday of the month we meet, whilst we are in the election campaign, we shall meet only when necessary.

3. Minutes of Previous Meeting & Matters Arising 10h10 – 11h15

Minutes adopted unanimously with the amendment on P3.

Matters arising on the Chair on the CRL, the nominee is in training to be an Ambassador, and therefore not able to be appointed. The DSG and Deputy President will discuss the alternatives for the CRL with the Minister.

Decision: Noted [REDACTED], who is also a UN Ambassador on Social Development, and a high profile person, could be the Chair. The Minister should consider a person from the Khoi and San community to also be included in the CRL.

Matters arising on the SABC Board. Initially, we had requested that Parliament appoint an interim board. But that was not possible, because there were still four members of the Board, and Parliament can only replenish the Board. The SABC Board interviews with the shortlisted candidates have been concluded. They will follow due processes and appoint the members of the Board before the elections. The Study Group has to present the names they are recommending. The new board must ensure that the debate and news mandate of the SABC is not outsourced. And it must have a person from organised labour. There should be a discussion on how the SABC Board is appointed.

Members of Parliament

The ANC will be approached by a number of persons, and ipso facto the Deployment Committee.

We must identify who can be deployed into the Foreign Missions, Boards, etc after consultation with the Officials. Look at the administration and advisors to Ministers. Noting that Attaches in missions have to come from their respective departments.

We need to get a sense of their skills.

that the

The Minister will appoint one person, and the Premier appoints one, the Board, and the community.

There is a danger of the Deployment Committee outsourcing its duties and therefore they must come to the Committee with the proposed shortlisting, and then proceed with the interviews.

have had posts already advertised and applications closed, they will be brought to the Committee soon.

The board of SAPO was also discussed. It has a 10 member board with a vacancy of 8 members, 2 of the vacancies will be appointed from the Unions, which are reappointments from the previous board. The remaining 6 will be appointed by the committee. Posts have been advertised and applications closed. Communications committee and youth league have made some recommendations. 4 of the 6 are African females, one male and one female, there is a broad geography spread, youth and race are all covered. A female chairperson has been chosen. Traditional leaders were consulted and have been represented in the board to assist with communication and mobilisation for the role out of programs.

ZEDNA is the domain name authority that deals with internet governance .za. It has been run by the industry with Afriforum having people in key positions. This SOE is strategic in the fourth industrial revolutions. There are 9 vacancies with 6 females. A geographic spread was hard to achieve because of the scarce skills which are largely based in Gauteng. A female chairperson was recommended.

5. Minister for Women, Youth and Persons with Disabilities

The minister's item was not on the agenda; however provision was made to allow the minister to brief the deployment committee on the lack of a director general in the department of women, youth and persons of with disability for the past 2 years. The minister was briefing the committee before putting out an advert for the position. The post will be advertised before the end of October, the ANC Deputy Secretary General in consultation with the Women's League and the minister must come up with a candidate, who may be outside the list provided.

6. Minister in the Presidency

The minister presented on the board for Brand SA. Brand SA has a 15 member board, 13 are required excluding one of CEO. A 23 name shortlist was provided and 13 recommended which has 7 women and 6 men, 4 of the members are below the age of 40, 2 of the members are reappointments. There was one change that was made to the recommended list, which was supported by the women's league. A female chairperson was chosen to lead the board.

The minister had several boards which need boards however there are only two boards which the committee had time to go through, which were PRASA and RAF.

The PRASA board process had started before the minister was appointed; the adverts have gone out and have been closed. The current interim board has been extended twice and needs to be finalised urgently. PRASA has an 11 member board of which 3 members are to be seconded from Treasury, SALGO and Transport. The 8 members recommended include 5 females, 4 reappointments for continuity who have proven to be competent. An advert was posted looking for a CEO however could not find a suitable candidate, are now head hunting, this will be done through the office of the DSG in consultation with the Minister. The minister would like to appoint a CEO whom will put a management in place to ensure that the CEO can work with the management effectively. In all appointment letters, there should be provision for review of performance after a year where the minister has the authority to replace any board member.

The Road Accident Fund is in urgent need of a board, A 12 member board was presented with 4 females. The current board has many doctors and lawyers, however the new list has a more broad skill base. The list was however sent back to be reconsidered because of lack of women and geographic spread, the age spread is good. At least two men need to be replaced with by women. List of applications must be provided to the DSG, two women will be chosen from there.

8. General Resolutions

The office of the DSG should send all ministers the guidelines and procedures of deployment which include informing the deployment committee before any posts are advertised. All presentations should include a brief background and a summary of the respective challenges. The committee should be mindful of rotating members between boards or having a member on too many boards.

The reminder of the boards which could not be presented will be presented at the next deployment committee.
